Rhomania

Rhomania is a nine month program created by Sigma Gamma Rho Sorority to uplift and prepare African American females who are in their junior or senior year of high school for their transition into womanhood. The Rhomania program is aimed to promote self awareness, academic achievement, civic and social growth. At the conclusion of this program the young ladies will be introduced to society in a formal presentation at our Rhomania Debutante Ball.

Rhomania is different from your typical Debutante Ball in that the ladies of Alpha Lambda Sigma incorporate Urban Ball Room Dancing into the routines as well afro-centric undertones.

HISTORY

Sigma Gamma Rho Sorority, Inc. was founded by seven young school teachers that were dedicated to educating young people in 1922. Seventeen years later the sorority formed an affiliate group called the Rhoer Club to carry on their legacy of guiding young ladies to develop their greatest potential. Through sisterhood, scholarship, and service, members of Sigma Gamma Rho Sorority, Inc. are mentors, provide scholastic guidance and community service opportunities to Rhoers.

The women of the Alpha Lambda Sigma Chapter of Sigma Gamma Rho Sorority, Inc. work very closely with the Rhoer Club.

What Is the Rhoer Club?

The purpose of the Rhoer Club is to provide a positive experience for young women ages 12 to 18 in leadership development, academic counseling, mentoring, community service, and rites of passage program. Rhoers are high school aged girls who participate in many of the activities of the sorority as well as special youth development programs. Rhoer Clubs offer girls the opportunity to build their self esteem, learn about their heritage and develop the skills needed to be personally and academically successful.
